## Gospel Reflections Corpus Christi June 7th 2026

### You have a lot going on!

Today we celebrate the moment when you receive the person of Jesus Christ in the Eucharist.

However, you may arrive at Mass filled with many emotions or pre-occupied with thoughts of your family, your work, or other important issues. All are perfectly understandable to Our Lord. He knows you have a lot going on!

It is in precisely those areas of your concern that Our Lord would like to help, and offers Himself to you for that purpose of providing the grace you need ...and right now!

The words of consecration say that clearly, "I give my body and blood, my entire self ...for your lasting happiness."

Our Lord does not consider all your thoughts about your life as distractions, but rather as the important things that you have to deal with, and it is in precisely those areas that Our Lord most wants to help with His grace. If they are important to you ...then they are important to Him as well!

The moment of communion conveys that message well. He places Himself directly in your hands. He places Himself directly into your life and where you need Him most at that moment.

Your first reaction must be humble gratitude. That is why we bow just before receiving. Some even kneel. After receiving, you should go back to your seat and immediately kneel or sit and talk privately with Our Lord who is now inside you. This is not a time for standing!

You are free to kneel or sit in deep contemplation of His presence within you. This is the time to hear what Our Lord has to personally say to you precisely about all those issues that you walked into Church with at the beginning of Mass! HOW WILL YOU BE DIFFERENT IN ALL THOSE EVENTS NOW THAT CHRIST IS WITHIN YOU?

Our faith is not nostalgia, or merely looking back 2000 years to the time of Our Lord in Jerusalem, but rather to His very active presence within you now. Our Lord means to help you in all the important areas of your life that concern you.

Your answers will come from His example and then offering your own life for the good of others as well, just as He does in the words of the consecration.

*God bless!*

## Safeguard the Children

### DID YOU KNOW?

**Consistency is key**  
Safe adults who consistently follow the rules and observe healthy boundaries that keep children safe are key to building trust with the children in their care. When you demonstrate healthy boundaries, children are more likely to identify adults who do not follow boundaries. They also learn that they can trust you in difficult situations and can come to you with information about unsafe adults or abuse. For more information, read the VIRTUS® article "The Importance of Child Abuse Prevention Month—All Year Long" at [lacatholics.org/did-you-know](http://lacatholics.org/did-you-know).
